

FREQUENTLY ASKED QUESTIONS

What about COVID 19?

No touching flagstick, or anything except your own equipment.
Use social distancing when checking in for golf

What about rainouts/rainchecks?

Should we know anything special about lunching at Kendalls?

If you are staying for lunch, please check in with the host stand and tell them that you are with the women's golf group and that the reservations are under Kathy Solem. You can arrive any time after 11:00.

Also, there is a golfers discount using your golf receipt. Be sure to tell your waitress *before you order* that you are using a golf discount.

What is the proper way to putt out this year? Starting on June 29, your ball **must stay in the cup** to be counted as a putt. If it hits the flag and rolls out, or rings the cup and rolls out, it is not a putt. You must putt again and count all your putts. There are no gimmees! If you have any questions, ask.
