

WEEKLY UPDATES/INFO 2021

RINGER BOARD

For those of you who are new to using a Ringer Board and our returners, here is how the ringer board works:

1. You will each have a scorecard with 'Ringer Board' written on the top and your name on it. You will see your scores from the first week written in ink across the top line of boxes.
2. Each week you will take your scorecard and compare it to the Ringer Board card. If your score has improved for a hole, you will write your lower score in PENCIL in the box below the inked score. ONLY change the score below the inked score if you have improved! Do not total the pencil scores. You will continue to do this each week, erasing a previous score if you get a lower one. Any questions, just ask!!
3. You will then use the paper clip to attach the new card behind the Ringer Board card and previous weeks cards, and return it to the basket. At the end of the season, the pencil line will be totaled and compared to your original score-this will show you how much you have improved over the season.

TEE TIMES

The tee times will be attached to each Friday email. There have been some additions and corrections to the one already sent, so an updated one will follow this email.

Contact (text preferred) Laura Labatt at **763-229-5642** if you need to make any changes regarding your tee time.

Each week you will need to sign up for a tee time. Tee times available to us are from 8:52 to 9:56. The sign up sheet will be by the cashier counter when you pay, or you can sign up after golf if you wish. If you are unable to sign up at golf, contact Laura and she will fit you in. Remember, your tee time is the time you should be at the first hole ready to tee off.

Each week events--Holes #2 & #9

Each week you will be challenged to the longest drive on hole #2 and closest to the pin on hole #9. The first group out will take the markers and place one by the longest drive in their group (write your name on the marker). If your drive is further than the marker, print your name on the marker and move it to where your drive landed (it must land on the fairway on #2, and on the green on #9). The last tee time group will pick up the markers and return them to the clubhouse (Sherry needs the results). The winners will be announced in the following week email. Winners will receive a cash award at the end of season. If you have any questions, ask Sherry Larson, or someone on the committee.
